CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

1. At the beginning of each academic session, college prepares its proposed academic calendar. The proposed academic calendar is prepared according to the instructions received from the affiliating university. Students are informed about the academic calendar of the college notifying the probable teaching days, dates of internal examinations, curricular, extension related and co-curricular activities 2. Bridge and induction programme is organized every year for newly admitted students to make them aware of the mechanism for curriculum delivery and implementation. 3. At the beginning of an academic session, departmental meetings are held in every department in which the topics in the syllabus are distributed to the teachers after discussion with them. 4. Based on the teaching assignments allotted in the syllabus distribution, teachers prepare their "teaching plans" according to the number of lectures allotted in the university syllabus for each topic. 5. Along with the traditional chalk and talk method, teachers often use power-point projections during the lectures to demonstrate topics. 6. Field tours are organized by Departments of, Botany and Zoology to ensure effective implementation of the prescribed curriculum. 7. Post-graduate students are specially trained to handle assignments, open-house seminars and dissertation to prepare themselves for academic research in future. 8. Overall personality development of the student is achieved by conducting Sports, Cultural events, 9. Regular class test, Mid-term examinations, Mid semester examinations, regular assessment in practical classes, viva- voce, are done to keep track on the improvement of the students. 10. Student feedback is conducted by IQAC to improve the teaching-learning

process of each department. 11. Seminars and special talks by experts are also arranged regularly for advance studies. 12. Project work, dissertations are conducted for fulfilment of their degrees. 13. All the departments and office including the Principal's chamber is computerised and connected with LAN. INFIBNET, NDL. 14. We have a very rich central library with open access system and many departments have their rich Departmental libraries too for the benefit of the students. A good number of Journals (Science, arts and commerce) are subscribed by our college. Inlibnet(e-books and e-journals) facility is available for teachers and also for the students. 15. Departments maintain the detailed record of the classes, assessments, project reports etc. 16. Interactive sessions with students and with guardians (through class PTA) are held to identify problem areas. Special care is taken to address the problems of slow learners, advanced learners and first generation learners. Social networking sites are also used by some departments for interaction between faculty and students beyond the class hours. 17. Remedial and tutorial classes are also conducted based on requirement. 18. In addition to the basic class room teaching, various classroom teaching methods based on various needs of different subjects are regularly used for the effective delivery of the curriculum such as, distribution of class notes by teachers, group discussion amongst the students during the class, micro-teaching and seminars by students related to curriculum, paper presentation by the students.
